Parents Comment on the “DTIM” Programme

“The DTIM programme has encouraged us as a family to help prepare our child to receive the Sacrament of First Holy Communion with a deeper understanding. It has helped us to become more aware of the importance of prayers and saying the Rosary in our home. As a parent I am very grateful for the support we have in our own Parish from our priests, teachers and the DTIM team for their time and effort in organising each of the Masses.”
