THOUGHT FOR THE DAY

There is a winter in all our lives, a chill and darkness that makes us yearn for days that have gone or put our hope in the days yet to be.

We need a winter in our lives, like nature around us, a time of rest, a time to stand still, a time to reacquaint ourselves with the faith in which we live.

It is only then that we can draw strength from the one in whom we are rooted take time to grow and rise through the darkness into the warm glow of your springtime. Amen. www.marquette.edu
